

The Just Rock Kids pilot dance program for children 8 years and over has proved very popular for young Rock and Roll enthusiasts. Just Rock Juniors will continue into 2010.

The Just Rock Juniors Program includes learning freestyle rock and roll with partners, learning popular sequence dances such as 'Grease Lightnin', Stray Cat Strut, Candy Man, and the Cha Cha Slide. New steps and dances will continue to be introduced into the program as required.

The main aim for the Juniors is to have fun fun fun! Learning to dance to the beat of the music improves motor skills, special awareness and general coordination. All this serves children well as they grow into adulthood.

Costs of the Just Rock Juniors Program will be advised each semester, depending on the number of lessons in the semester. Just Rock Ipswich is a non-profit making club and costs, particularly for families will be kept very reasonable and of course there will be discounted costs for club members who can also access all club benefits.

Having Juniors in the Club has opened up all sorts of doors – Club T Shirts for juniors, inclusion of families and juniors in club activities including car cruises, juniors being involved in Club dance demonstrations and consultation with parents. JRI is new to catering for the needs of juniors and we are happy to talk to parents about anything relating to the Just Rock Juniors Program.
